WHISKY ELECTION IN DAVIESS COUNTY

Temperance Forces Will Try to Close Owensboro Saloons.

County Judge Owen has called a local-option for Owensboro and Daviess county, to be held on April 20. He also called a special registration for April 10.

The fight in Owensboro promises. to be one of the most vigorous Observations" route. ever held in the State. There are over forty saloons and wholesale liquor houses in Owensboro, and the liquor men have been actively engaged in organizing their forces for several days. The temperance people have made arrangements to bring the most noted temperance orators in the country to Owensboro during the next few days. There is a large negro vote in last week. Owensboro and two negro orators will be sent there for the purpose of addressing them.

It is stated that in thirty-two contests held in Kentucky that the negro vote has decided the election in each case. The temperance people controlled the negro vote in where they failed to get the negro Monday.

For all customers who have in past seasons b en paying for their ice at the end of each week will have Coupon Strips containing 10 5c Coupons which we will sell for cash only at 45c.

Unused Coupons will be redeemed at our office at any time if not detached from the Book.

When ice is purchased simply tear from the Coupon Book or Strip, Coupon calling for the amount purchased and give same to the driver who will in turn hand it in at the office, there to be filed away

By using the Coupon System you will avoid all possibility of ever paying for more ice than you have received and you will also have the advantage of the 10 per cent. discount by paying cash for your Book,

On account of the increased cost of manufacture we have found it necessary to raise the price on ice in small quantities. In fact we are the only Factory in Central Kentucky that has been selling ice in quantities of less than 100 pounds at the rate of 40c per hundred.

We have made a special effort to find out what other Factories will sell ice for this season and our prices are practically the same as will be charged throughout the State.

In seasons past we have blocked our ice instead of weighing it, but this season all of our wagons will be equipped with scales and any customer who thinks that he is not getting the proper amount of ice can have same weighed, as it is our earnest desire to give all of our

Call at our office and we will be glad to explain the Coupon Systom thoroughly to you and to show you the Coupon Books, from which you can make your selection.
